Q3 2024

ORANGE COUNTY

Dear Homeowner,

The Quarterly Report offers insight into residential real estate sales activity and regional trends. It complements the Area Report, giving you a broader look at the real estate market. If you are interested in receiving the Area Report, please let me know. I would be happy to set that up for you.

The market summary below offers a look at sales activity for the prior quarter and year, along with current and past year-to-date statistics. The graphs cover several different aspects of the real estate market. Note how some of the graphs break out trends by price increments. Please contact me if you would like more information on your current market.
